

Forestdale School Supplies

mr.clauson@forestdalechristianschool.com

Please have the following supplies ready for use on the first day of school!

- A great-big smile :)
- 3 packs of lined paper
- 1 pack of graph paper
- 1 white high-polymer eraser
- Ruler
- 2 composition notebooks
- Bible (children's Bible preferred or NIV)
- 1 pack of colored pencils
- 3 boxes of tissue
- Sticky notes (normal 3x3 size)
- 1 package of 3x5 index cards
- 1 plastic water bottle
- 1 complete change of clothes (shirt, long pants, underwear, socks) that will be left at school in case of an accident (in a large zip-lock bag).

Additional Important Notes:

- Students should wear sneakers to school everyday. During the winter months, boots and snow pants are needed for outdoor activity. We are active outside nearly everyday.

- The school has plenty of pencils and spiral notebooks for students to start the year off with. Feel free to help us add to our supply though :).

- The above supplies may need to be replenished at different times throughout the year, depending on student use. We will let you know if/when a re-supply is needed.
